WHAT TO BRING (AND NOT BRING) TO CAMP

- Each day, campers should bring a water bottle, a change of clothes, a one-piece swimsuit, water shoes or secure sandals that can get wet, a towel, and a bag or backpack. Campers should wear (and bring extra) clothes that can get dirty. Campers should also wear securely fitting shoes as we have a fun, active program planned.
- **Please label all clothes and items that you send with your child to camp or the camp staff may do so.**
- **Please check the Lost & Found daily** to see if your child has left anything behind.
- In addition to the items listed above, **equestrian day campers should wear long pants and solid, closed-toed shoes. They will not be permitted to ride without them.** It is recommended that they have cooler clothes and a bathing suit to change into when done riding.
- Please apply sunscreen to your child in the morning before coming to camp. Camp staff can only reapply sunscreen that your child brings with them from home.
- We are fortunate to not have many bugs here at camp; however, should you choose to send your child with bug spray, please remind him/her that it should only be applied outside and under the supervision of an adult. We are not able to supply bug repellent. Campers should also be reminded to not share theirs with others.
- Please leave electronics, including cell phones, at home. Camp Cavell cannot be held responsible for loss or damage to personal items.

OPTIONAL ITEMS TO BRING

- Trading Post (camp store) money for items like t-shirts, sweatshirts, flashlights, toothbrushes, toys, etc.
- We appreciate clean recyclables for activities, including:
 - Plastic grocery bags
 - Paper towel rolls
 - Toilet paper rolls
 - Egg cartons
 - Plastic jars with lids
 - Empty returnable cans and bottles
 - Any games, books, or art supplies that you would like to donate

WEEKLY SCHEDULE

Campers should have the opportunity to experience all of the camp activities (age appropriate). Parents/Guardians will be notified about special events and field trips as soon as possible. All off site trips required signed permission by a parent/guardian.

EQUESTRIAN CAMP PROGRAM STRUCTURE

Equestrian day campers will spend half of their day at the horse stables and half of their day with the traditional day campers. They will join their age appropriate group when not participating in equestrian.

MEALS AND SNACKS

Campers are provided with a hot, freshly prepared lunch each day. Campers will also receive one snack each day. Water is available throughout the day. **Camp Cavell is peanut and tree nut free.** If your camper has any other special dietary needs, please let us know before his/her first day of camp.

MEDICATIONS AT CAMP

If you are sending your child to camp with any medication, please hand the medication to a staff member in its original container with a medication release form (unless you completed this form electronically during registration). Campers may not carry medication unless it is an emergency rescue device (inhaler or EpiPen). If you are sending your camper with emergency medication, please let your child's counselor know if you need it back at the end of each day.

POSITIVE DISCIPLINARY POLICY

Camp Cavell believes that responsible behavior develops most readily in an environment of encouragement, acceptance, understanding, and consistency. To structure such an environment, we can apply certain management principles, particularly those of consequential thinking and positive discipline.

Behavior issues will be handled initially by the counselor and will be addressed by the director as necessary. Parents/Guardians are notified of major issues and we appreciate their cooperation in helping to keep our camp safe and enjoyable for all. Among the tools we use to help campers develop responsible and appropriate patterns of behavior are time-outs, contracts, creative writing, discussion, and service projects. In some situations, parents/guardians may be called to pick up a camper immediately, or a camper may be asked to remain at home for a day or two as a punitive and reflective measure. Certain situations call for the permanent withdrawal of a camper from the program. These may include: actual, threatened, intended, or implied physical violence towards campers, staff, or animals, grossly inappropriate gestures or actions, theft, vandalism, destruction of property, and the use or carrying of prohibited substances or items. **There are no refunds issued in these situations.**

THANK YOU

Thank you for your help in making this an amazing summer at Camp Cavell! We look forward to an incredible summer full of sunshine, adventure and fun!
